## STEAM TRAINS RETURN

View the spectacular ruins of Corfe Castle and the beautiful Purbeck countryside from the comfort of our special reopening train services.

From Monday 20th July 2020 we are opening Norden station so you will be able to leave your car at Purbeck Park and join our steam hauled trains from Norden to visit Swanage and the beach.

Things will be a little different this year. We are following Government guidelines and have added a number of measures for the safety of our passengers and staff, these include;

- Social distancing measures.
- Advance booking with allocated seating.
- Cashless Payments.
- One-way passenger flows at stations.
- All passengers will be required to wear a face covering

Please visit our website for further information and train times. As passenger numbers will be limited, you are encouraged to take advantage of our special advanced purchase fares and make your booking and seat reservations on our website.

We look forward to welcoming you back to the Swanage Railway.
